

Atul Kumar

User Experience Designer

“I’ve an appetite for visual finesse, and zeal to make experiences better. Making digital experiences, data narratives, visual storyboarding and prototyping excite me the most. Through my previous experiences I realised that I can play in the hybrid space, an infusion of design and technology.

Education

Hochschule für Technik und Wirtschaft, Berlin
(Exchange Student) Communication Design, Sep 2017-Feb 2017

National Institute of Design, Bangalore
